

**We have been investigating,  
designing and making puppets in our  
DT topic this term. Look at our  
incredible sewing skills!**

We made finger puppets  
so that we could re tell  
some traditional tales.

Then we designed our  
glove puppets.

Next we had to  
cut out our  
glove puppets  
and add on  
details such as  
eyes, noses  
and tails.

# Look at our incredible puppets!

We were lucky enough to have a visit from a real puppeteer! Caton's auntie makes her own puppets and puppet shows in New York! She came in and showed us how to bring our puppets to life.
