

# Instructional Writing

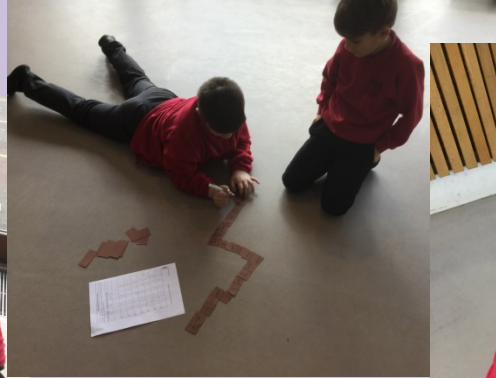

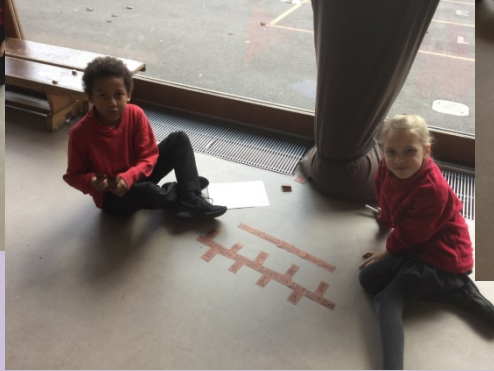

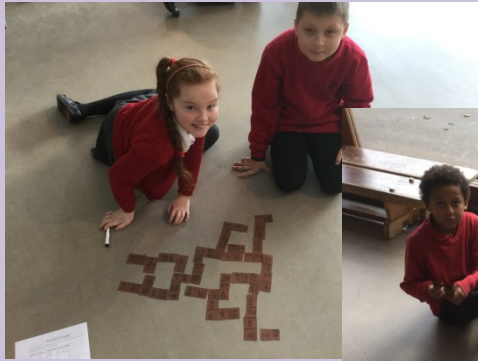

**Designing our own board games...**

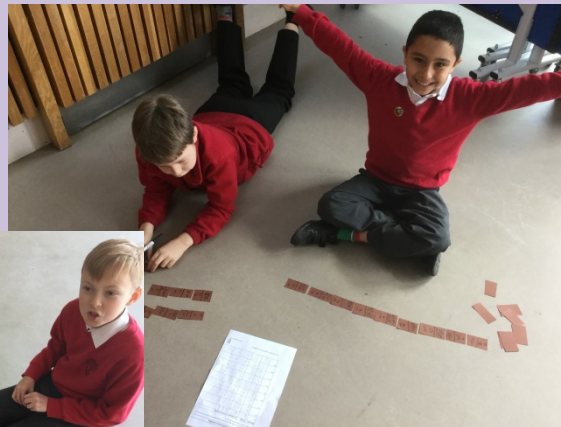

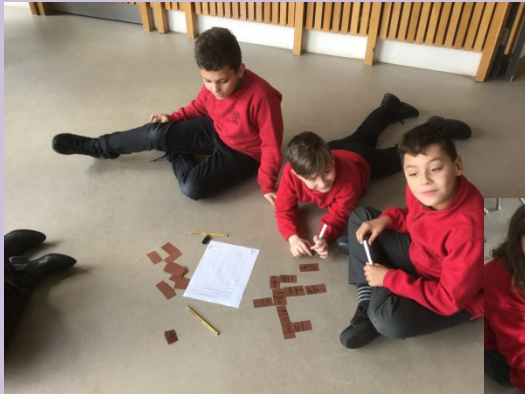

**...but can the other players follow your rules?**

# More Maths on Fire!

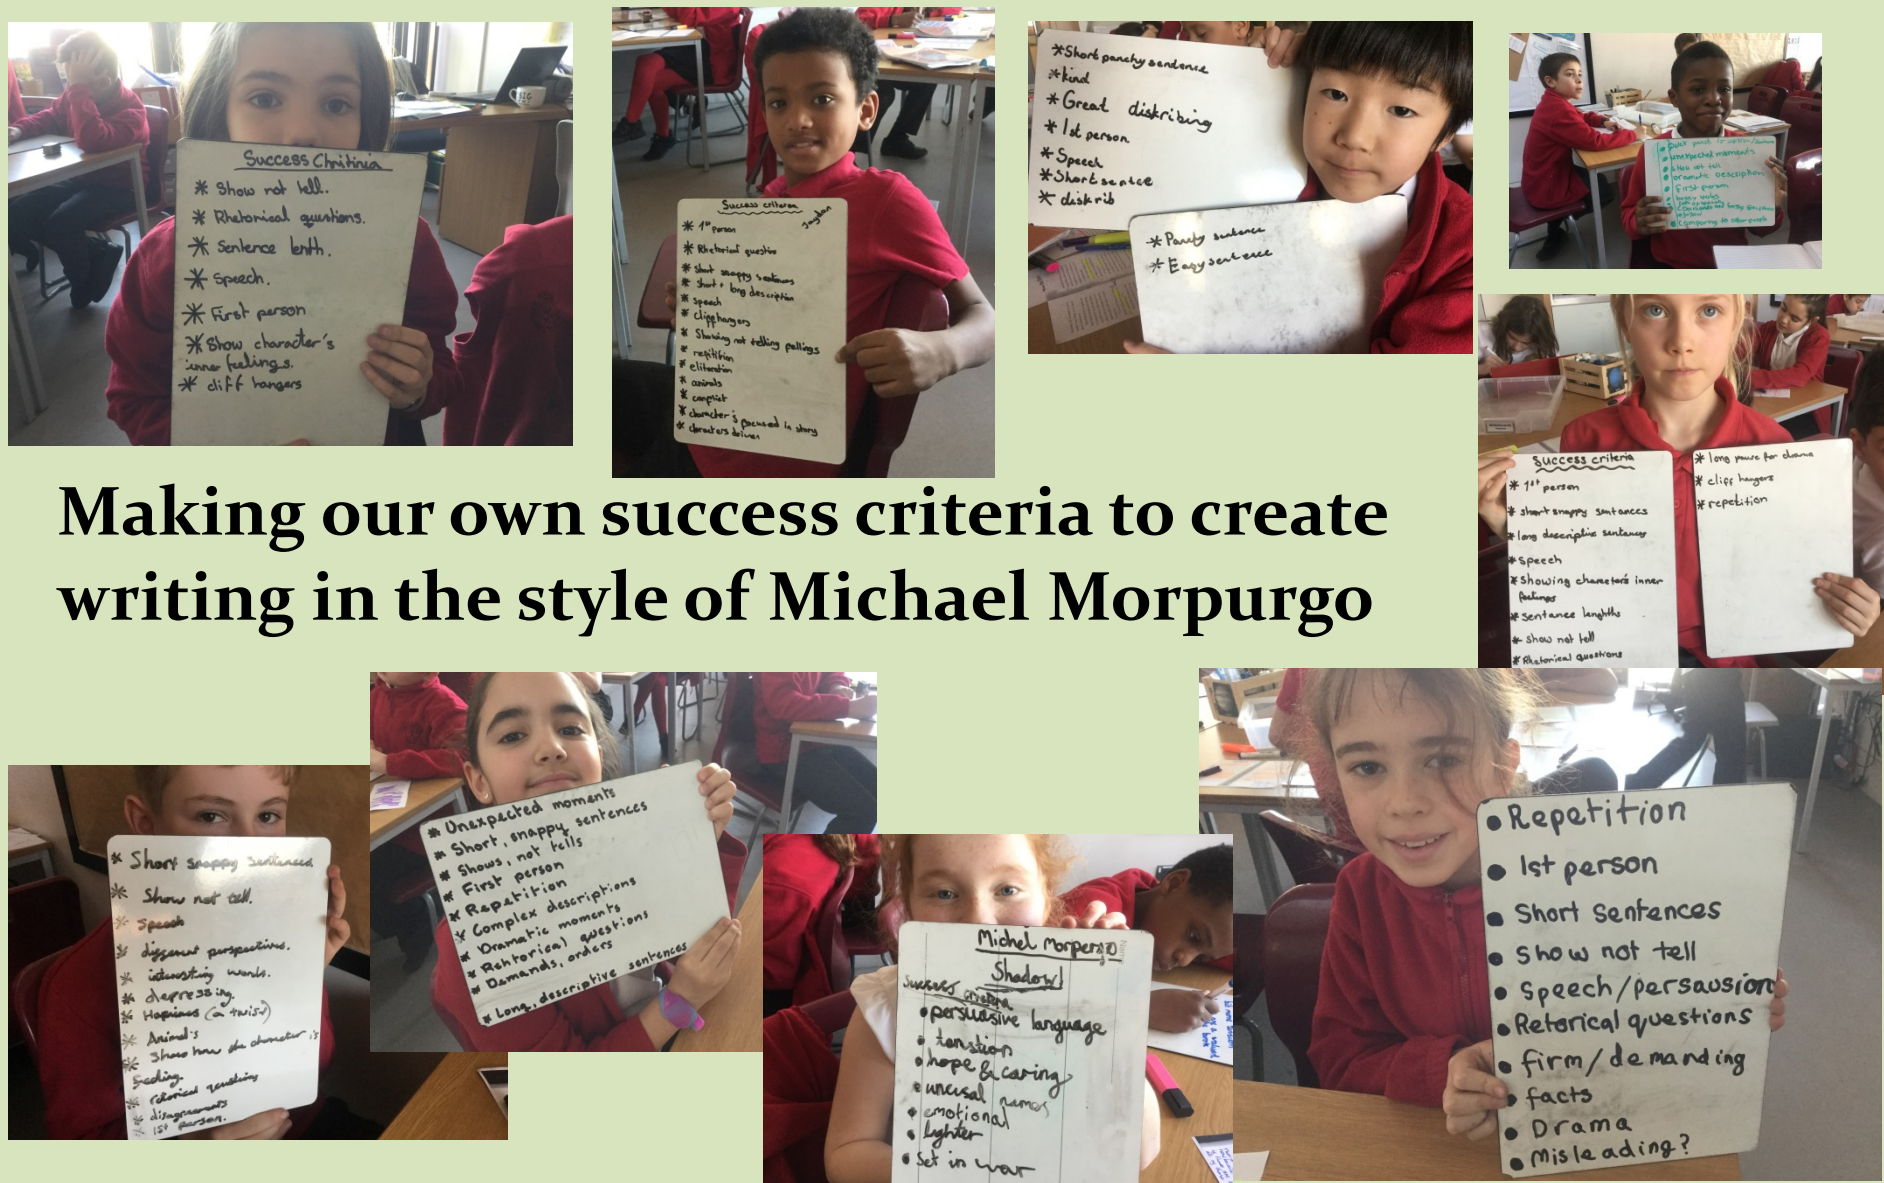

Looking at equivalents between fractions and decimals...

...the fun way with homemade dominoes

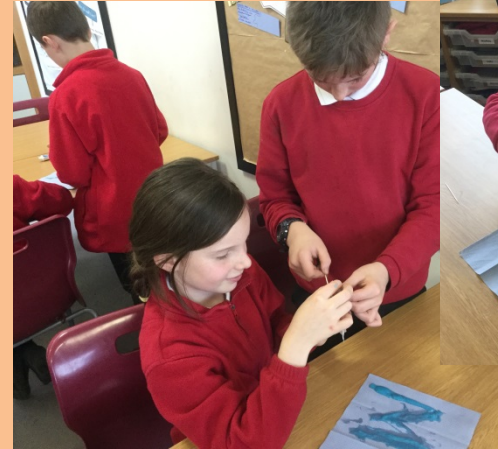

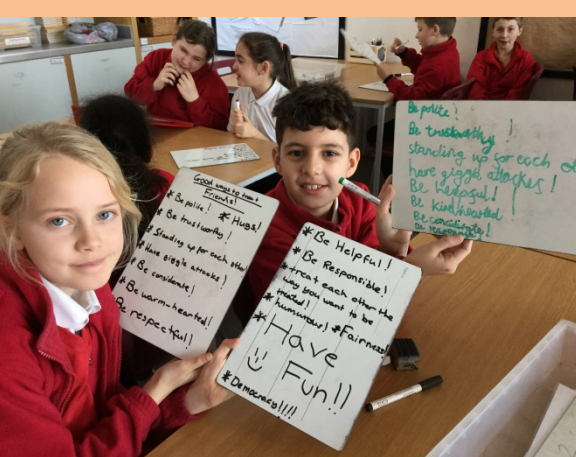

# English: the Secret to Morpurgo's Success

Making our own success criteria to create writing in the style of Michael Morpurgo

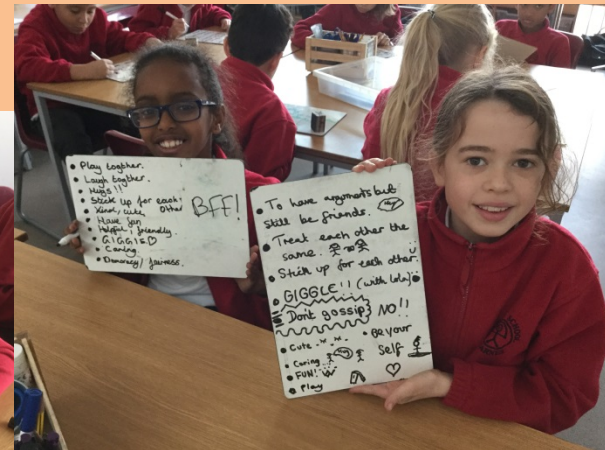

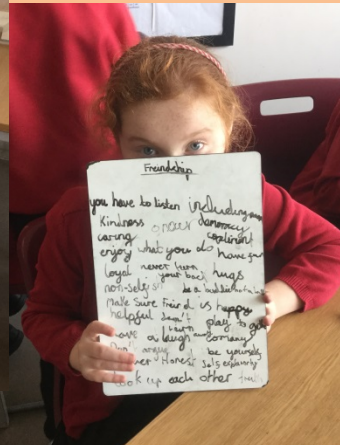

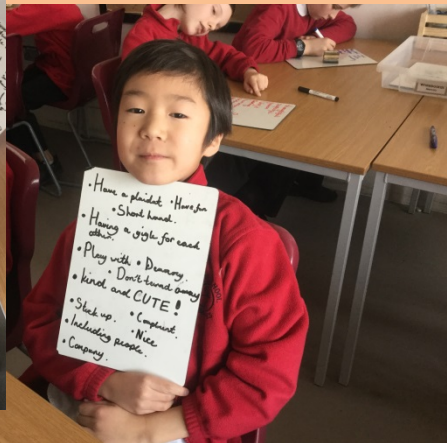

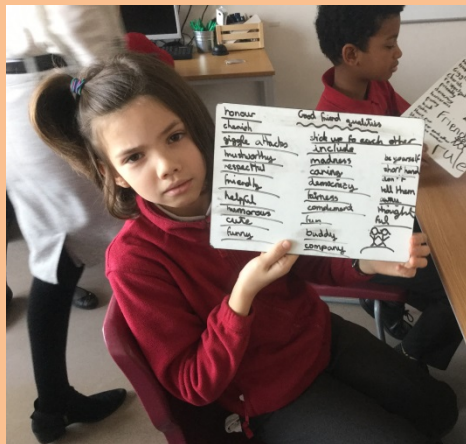

# Putting the toothpaste back into the tube!

Considering how we can talk to people and what makes a good friendship....

...thinking twice about what we are about to say or do, is sometimes better than saying sorry after the event.

# Year 5 - Thames Explorers!

## Looking at our Geography topic of Rivers

... with maybe a little bit of mud!

# Science taste test - are you a super taster?

Coating our tongues with blue food dye...

...testing for our fungiform papillae!

# Science taste test - are you a super taster?
