

Science : living things and their habitats

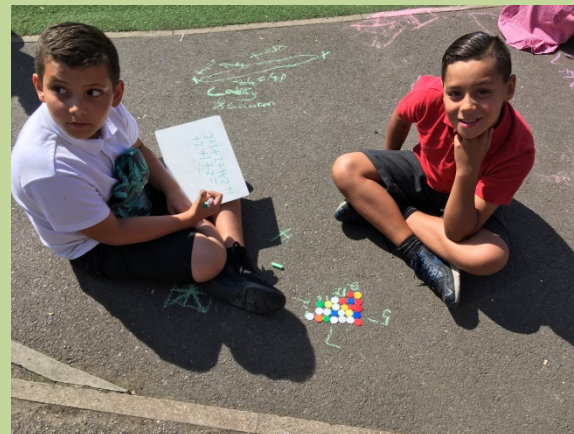

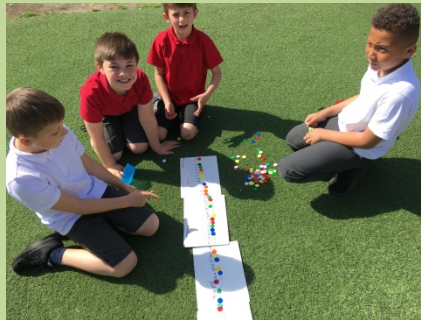

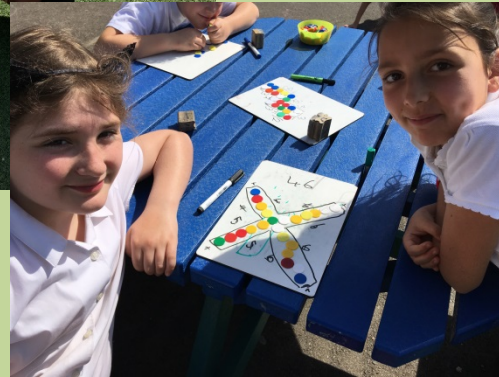

Learning more about how reproduction works in the plant world

More Maths on Fire!

Finding the area...

... but is the perimeter always the same?

Climbing Everest

Reliving Hillary and Norgay's triumph...

...though not everyone made it back for hot chocolate.

Inspiring watercolours

Creating botanical sketches...

...inspired by our allotment.

The History of Mrs Chalbot's Bin

Looking at evidence...

...and learning to question the 'facts'!

Science: how does your garden grow?

Learning all about germination...

...we look forward to harvesting our crops in September!

How does your garden grow?
