Year 2 Learning This Week

Welcome: Many thanks for helping your children settle into life in Year 2 so quickly. It has been wonderful getting to know your children last week. Thank you to all the parents who have volunteered to read with the children this year.

This week we will be partitioning numbers in Maths, have started learning about stories with familiar settings in Literacy, are looking at different materials and their properties in Science and will begin to learn about the Great Fire Of London in History.

Curriculum Forecast: next Tuesday we invite you into the school for our annual curriculum forecast. We will begin with a short presentation of our routines, followed by year group 'getting to know you' chats in the classes, where you are invited to ask us any questions you may have. We will also be giving out Welcome Packs with information about your child's learning this year and guides for helping your children at home. If you cannot attend the meeting, we will send the pack home with your child the following day.

"Yes! I'm in Year 2 now."

Happy Birthday to...

Miriam and Ivan in Maple Class

General notices

PE Kits – to remind, kits must be brought into school every Monday and, if they need cleaning, taken home on Friday. It is important that their PE kit is available all week in school.

Coats – summer has officially finished (boo!), the temperature has dropped and the rain has arrived. Please send your child to school with a warm, waterproof coat and jumpers or cardigans to wear in class.

School uniform – our school behaviour target this week is to wear the correct uniform. Our full uniform policy is available on our website. To remind, shoes should be dark, plain colours (with no logos eg Nike, Adidas etc) and ear-rings should be stud ear-rings only. Other jewellery is not permitted for safety reasons. Jumpers/cardigans should be plain and red or with the school logo.

Class routines – as the children are now into their second week and their routines have been established, we are asking that parents leave their children at the door of the classroom and do not enter the room with their child in the morning. It is easier for the children to settle and focus on their morning work or handwriting this way. We appreciate your co-operation with this.

Homework—homework will get sent out every Wednesday, starting this week. Please make sure your child has their completed homework in their book bags every Monday to allow us time to mark their homework and stick in new homework into their books. Please remember to sign or comment in their Reading Record when your child reads at home.

Many thanks for all your support, Judy Puddephatt & Emily Treble

Dates for your diary

| | |
|--------------------------|---|
| Tues 17th Sept | Curriculum Forecast meeting (2.20pm) |
| Mon 7th Oct | Parent consultation timetable available |
| Mon 14th & Tues 15th Oct | Parent consultations |
| Wed 23rd Oct | Harvest Assembly |
| Mon 28th Oct—Fri 1st | Half term holidays |

Special notices:

Many thanks to the parents who volunteered to be class reps this year. We appreciate your time and effort. This year class reps are as follows:

Elm class: Jo Austin and Kal Sidhu

Maple class: Nichole Detering

Wahoo, being in Year 2 is fun!

Joke of the week

You can't beat a great joke from the children...

What do you call a dinosaur with the ball in the back of the net?
Dinoscores! (Henry, Elm Class)
