## We love learning at Lowther

Dear Parents, Carers and Friends,

There are lots of exciting things going on in the coming weeks, whether they be trips, shows, special themed days and more. We want every day at Lowther to be a positive and exciting experience for all our children.

We also want our teachers to have positive and exciting experiences and to develop their skills and expertise. We have an excellent programme of professional development for our team— whether that be visiting other schools, attending workshops, professional development sessions or learning from each other. We are fully committed to ensuring we are all the best teachers we can be.

Have a great week and we look forward to seeing you on Friday for Community Day.

Mark and Alastair

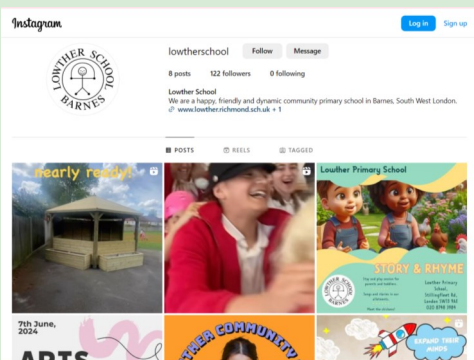

### Assemblies this week

On Monday assembly Mr Ripley talked about trying your hardest and the value we should place on giving things our very best effort.

Wednesday assembly was all about inspiration. We looked at some different inspirational figures, from children through to adults, and why they could be considered inspirational.

### Instagram!

We are delighted to announce that the school is now live an Instagram. Please do follow us (we're already up to 122 followers) We hope parents and your wider family find it a great way to stay connected to Lowther. More posts coming soon!

### PHOTO OF THE WEEK!

Here's Y6 celebrating finishing their SATS exams. They all worked incredibly hard, so maturely and with such excellent attitudes to learning and school. Well done Y6!

### Community Day update!

Do come and join us for some of the day. As usual we'll be getting the whole school out in the playground for a dance/warm up session before embarking on our annual fun run. The police have kindly agreed to close the local roads around the school for the run and so do come and join in the fun run!

During the rest of the day the children will have the opportunity to take part in a series of different activities. Parents and families are very welcome to join us for any part of the day. In the afternoon we are officially opening Doris' Den followed by our first Dog Show!

It's all happening on **FRIDAY 24th MAY 2024**. We look forward to seeing you there.
